Live Tutoring Las Vegas-Clark County Library District (hours vary by site)

- *The Las Vegas-Clark County Library District offers live, on-site tutoring weekly at various branches in Las Vegas, North Las Vegas, Henderson, and Moapa Valley. Hours vary by site. Live tutoring and expert homework help is also available through BrainFuse daily from 1:00 p.m. to 10:00 p.m. Students can access BrainFuse at a library location, via the web, or using a mobile device. Families can visit <http://hottopics.lvccld.org/tutors> for more information and schedules for onsite tutoring.*

Homework Hotline (702) 799-5111 – Monday through Thursday, 3:30 p.m. through 5:30 p.m.

- *Homework Hotline has been a staple within the Clark County School District for many years. However, over the last few years student usage of this service has declined drastically. For the 2016-2017 school year, Innovative Learning Environments will continue to provide support to students calling the Homework Hotline (702-799-5111) during its regular scheduled hours of operation Monday through Thursday, 3:30 p.m. through 5:30 p.m. Callers will continue to receive homework support via phone from the student tutors, but no live TV show will be produced. Data will be collected to determine the path for the 2017-2018 school year.*

Khan Academy Math, science, and grammar <http://khanacademy.org>

- *Khan Academy is an online resource that provides students with video instruction and practice problems to assist with learning concepts. Extensive support is available for K-12 mathematics and grammar. Families can visit <http://khanacademy.org> for assistance.*
