3.1 19-20 BUDGET ADJUSTMENTS. Discussion

- Ms. Ravalo shared with the SOT members that our student enrollment was 1302 and our goal of 1370 students was not met. As a result we lost two teacher PACS. Due to teacher shortage there was no loss of teachers.
 - a) *In addition, it was shared that the attrition money was received covered for the loss of the two positions. This is the first school year we receive the attrition money. The attrition money are from all the vacancies we had last school year and it is carryover money from the 18-19 school year.*
 - b) *The good news is that with the extra money we received we will be able to fix or replace any broken equipment. Purchase books, tech and provide pay for teachers who are working after work hours.*
